Manganese (Mn)	5%
5% Water Soluble Manganese	
Zinc (Zn)	0.5%

Ingredients: Magnesium nitrate, Manganese nitrate, Iron nitrate, and Zinc nitrate.

foliar fertilizer

Nitrate Plus

- Corrects or supplements Manganese, Iron, Zinc and Magnesium
- Optimally formulated to reduce surface tension and improve foliar nutrient uptake

Rates:

Turf (Greens, Tees & Fairways)

Apply 60-125 ml per 100 m² in enough water to allow for thorough coverage. Repeat every 4-6 weeks as necessary.

CAUTION: Keep out of reach of children.

Direction for use:

Shake well before each use. Nitrate Plus may be tank mixed with most liquid fertilizers and pesticides. However, a jar compatibility test should be performed on unknown combinations prior to mixing and application. Nitrate Plus should not be applied as a concentrate. Spray solutions should not be more concentrated than 1:200 or 2 L in 400 L of water.

Precautions:

Avoid getting in eyes, mucous membranes or on skin. Use of side-shielded safety glasses is recommended. Use with adequate ventilation. Keep container capped when not in use. Do not contaminate feed, seed, or water supplies.

Caution:

This fertilizer contains iron and manganese and zinc and should be used only as recommended. It may prove harmful when misused. Since weather, crop, soil and other conditions may vary, Seller make no warranty of any kind, expressed or implied, concerning the use of this product. The user assumes all risks of use or handling whether or not in accordance with directions or suggestions.
