Introducing Advantage Plus Seaweed

Aquatrols
ADVANTAGE+
seaweed

Aquatrols is pleased to introduce the next generation of Advantage pellets: **Advantage Plus Seaweed**. Featuring a superior formulation, Advantage Plus Seaweed is a complete and balanced system for delivering improved performance during syringing and hand watering.

High quality seaweed extract:

- Promotes fast recovery of stressed turf
- Stimulates root growth
- Promotes the growth of healthy, vigorous turfgrass

ADVANTAGE+
seaweed
