Plant Products Welcomes

Richard Robbins
as **Technical Sales Representative**

Leamington, Ontario. October 10, 2023

Plant Products, a leading distributor of inputs to the specialty horticulture industry in Canada and USA, is pleased to announce the appointment of Richard Robbins to the position of Technical Sales Representative serving customers in the Leamington area.

Richard joins Plant Products from his role as a grower at a fruit tree nursery and orchard. Prior to that, he worked as a certified crop advisor (CCA) at a laboratory supporting customers in interpreting and implementing changes based on lab results.

Richard is a graduate of the University of Windsor where he obtained an Honours Bachelor of Science degree in Environmental Science.

Richard is looking forward to learning with and from our customers and supporting them with scientific and data-driven solutions that consider both time-tested and innovative alternatives.

Originally from Windsor, Richard and his wife are renovating their home in the Riverside area. In his spare time, he enjoys sailing, restoring boats, and golfing.

Everything you need **to grow**
