Technical Data

KEY FEATURES

- Multi-use (greens, tees & fairways)
- Rapid germination & establishment
- Consistent growth from early spring to late fall

Application Rate: 1-3 lbs/1,000ft²

Germination: 5-10 days

SELECTUS

BENTGRASS TOURNAMENT

- 50% MacDonald Bentgrass
- 50% Flagstick Bentgrass

DESCRIPTION

Selectus Bentgrass Tournament is a balanced blend of MacDonald and Flagstick bentgrass.

MacDonald provides a high density creeping bentgrass with early spring green-up that makes for superior turf for greens, tees and fairways.

Flagstick provides superior Dollar Spot resistance. It is versatile for greens, tees and fairways with excellent heat and cold tolerance. No scalping and bright dark green colour.
