	Biobest Group N.V.	Lieve Vandendriessche
	CA-QUA-3039 Letter of assurance	Revision: 1
		Date: 04/09/2023
		Page 1

Date: September 4th, 2023

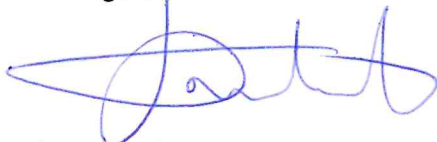

Subject: Letter of Assurance

Biobest Group NV, assures that the beneficial insects and mites are in compliance with the requirements of Good Manufacturing Practices.

This Letter of Assurance guarantees that these products are controlled and meet the following conditions:

- Biobest holds valid import permits for all biological control organisms and other products.
- Biobest biocontrol agents are not invasive species as per Canadian and American regulations.
- The quality of Biobest products is verified using a quality control system.
- Products do not contain any genetically modified organisms.
- Products do not contain any preservatives, and hazardous plant disease and insects.
- All products are stored, transported, and delivered under conditions to minimize hazard and contamination.

Best regards,

Lieve Vandendriessche
Quality Control manager
