

For Between Crop Cleaning

GreenClean Alkaline Cleaner is a high alkaline, heavy duty foam detergent containing a balanced blend of chelants and surfactants for effective removal of the toughest soils. GreenClean Alkaline Cleaner is an excellent detergent that produces thick, rich foam for extended contact time to remove soils.

For General Cleaning

General foam detergent for cleaning food processing plants, greenhouse structures, glass glazing, polycarbonate, concrete, cisterns, and other hard surfaces.

- ▼ Cleans stubborn grease and dirt
- ▼ Professional strength, water based formula
- ▼ Use on concrete, tile and stainless steel
- ▼ Provides natural foaming action

CANADA
