

Tomato & Vegetable

Introduction

Tomato & Vegetable 3-1-4 is an organic and natural fertilizer specially formulated to improve quality and yield in tomatoes & all vegetable crops. It can be effectively used in all indoor & outdoor plants in different types of growing medium. It not only feeds the crop but also improves quality of growing medium due to enhanced microbial activity.

Benefits

- *Produces extremely high quality vegetables with unmatched taste, weight and shelf life.
- *Fulfills high nutritional needs of vegetables during all critical stages of growth.
- *Easy to use and allows frequent applications through drip and drench.

Guaranteed Minimum Analysis
